The meeting is February 12-13<sup>th</sup> at the NIH Campus in Bethesda Maryland. If you haven't registered yet please do so here: <https://meetings.ninds.nih.gov/Home/Index/21041>

### News:

1. If you are unable to attend in person, don't worry, this meeting **will be live-streamed** at the **NIH Videocasting site**: <https://videocast.nih.gov/>, and the archived recording will be available within a few days of the conference.
2. The **poster session application process is now open!** **Applications are due by January 15<sup>th</sup>.** Space is limited, so only 48 posters will be selected. The goal of the poster session is to help facilitate collaborations and knowledge transfer, therefore the posters and abstracts are in a non-traditional format. **Please read the instructions carefully before applying.** The application information and form can be found under the **Poster Session tab** of the registration site, located here: <https://meetings.ninds.nih.gov/Home/Tab1/21041>
3. If you plan to attend in person, **please be sure to book your hotel room soon.** A limited number of rooms are reserved at the government rate at the **Bethesda Marriott Hotel on Pooks Hill Road. The room block will only be guaranteed until January 4<sup>th</sup>, so don't delay!** **Hotel information is available on the Logistics tab of the conference registration site:** <https://meetings.ninds.nih.gov/Home/Logistics/21041>

The meeting steering committees are continuing to develop and refine the agenda. Meeting planning is going well, and we're excited about the content that is being developed, as well as the discussions they should initiate. Please continue to check back at the Registration site for the **updated meeting agenda**, which is available at the **Agenda tab** of the registration site: <https://meetings.ninds.nih.gov/Home/Agenda/21041>.
